

Promotion of health education on AIDS prevention

In February of 2020

1. New inmates:

Playing sanitation education promotional video on AIDS during investigation of new inmates to provide all inmates an initial knowledge on AIDS.

(2times , for a total of 5 person-time)

2. In-prison inmates:

Invite professional lecturers every month in a regular cyclical format to sponsor AIDS prevention class in each factory and ward to instill the correct concept and knowledge about AIDS and to teach inmates on things to watch out for and direction of future life after being released.

(1time , for a total of 84 person-time)

	
Brilliant professional sanitation education speech	tentatively listening

3. Promotion of sanitation education to regular inmates:

Video conference while in clinic with materials of sanitation education promotion, or distributing sanitation education materials on AIDS which are also distributed to every unit in order to increase the knowledge and awareness in the inmates about the disease.

(6 times , for a total of 105 person-time)

	
Splendid sanitation education promotion VCD	various medical information topics
